

TOWN OF DAVIE TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Mark A. Kutney, AICP, Development Services Director/ (954)
797-1101

PREPARED BY: Lise Bazinet, Planner II

SUBJECT: Quasi Judicial Hearing: Ordinance 1st Reading, ZB 6-2-06/06-81/Falcon Tire Center/2600 Davie Road/Generally located on the east side of Davie Road between Nova Drive and Interstate 595.

AFFECTED DISTRICT: District 1

ITEM REQUEST: Staff Requesting a Tabling/Withdrawal

TITLE OF AGENDA ITEM: AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA, APPROVING REZONING PETITION ZB 6-2-06, CHANGING THE CLASSIFICATION OF CERTAIN LANDS WITHIN THE TOWN OF DAVIE FROM M-4 (COUNTY), LIMITED HEAVY INDUSTRIAL DISTRICT TO M-3, PLANNED INDUSTRIAL PARK DISTRICT; AMENDING THE TOWN ZONING MAP TO COMPLY THEREWITH; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

REPORT IN BRIEF: The purpose of this request is to rezone the subject site from M-4 (County), Limited Heavy Industrial District to a valid Town of Davie zoning district, M-3, Planned Industrial Park District. This request is in conformance with staff policy of requiring all parcels under development to be designated with a Town of Davie zoning designation and Ordinance 2003-21, adopted June 4, 2003.

The Planned Industrial Park District zoning permits for the development of industrial uses without giving up the more desirable uses allowed under the M-4 (County) District. Planned Industrial Park District zoning would prohibit many undesirable heavy industrial uses that are permitted by M-4 (County), Limited Heavy Industrial District (Forman Agreement). According to the Land Development Code, the subject site meets the minimum technical requirements for the M-3, Planned Industrial Park District zoning classification, as the minimum lot size required is 43,560 square feet (one (1) acre), and a minimum lot frontage of 150'. This rezoning is also consistent with the Comprehensive Plan and Land Development Code. Development of this site as proposed does not exceed what was anticipated by the Future Land Use Plan Map designation, which is Regional Activity Center.

PREVIOUS ACTIONS: n/a

CONCURRENCES: At the July 11, 2007 Planning and Zoning Board meeting, Mr. Pignato made a motion, seconded by Mr. Busey, to table this item to August 8, 2007. In a voice vote, with Chair Bender and Ms. Turin being absent, all voted in favor. **(Motion carried 3-0)**

FISCAL IMPACT: not applicable

Has request been budgeted? n/a

RECOMMENDATION(S): Staff finds the application complete and suitable for transmittal to the Planning and Zoning Board and Town Council for further consideration with the following condition:

1. A covenant restricting the use to commercial trucks tire center only must be recorded in the Public Records of Broward County prior to obtaining any building permits.

Site Plan Application (SP 6-7-06), the petitioner requests site plan approval for a one-story building to be use as a tire center for commercial trucks.

Variance Application (V3-1-07), the petitioner requests a variance to reduce eight (8) of the twenty-four 24 required number of parking spaces to provide 16 parking spaces.

Applicable Codes and Ordinances

The effective Code of Ordinances governing this project is the Town of Davie Land Development Code.

Land Development Code (Section 12-305), Rezoning, Special Permits, Variances, and Vacations or Abandonment's of Rights-of-Way, the purpose of this division is to guide the processing and granting of rezoning, special permits, variances and vacations or abandonment's of rights-of-way in a manner consistent with the Town of Davie Comprehensive Plan, existing development and in a manner which protects the public health, safety and welfare.

Land Development Code (Section 12-24), (I) (9) Planned Industrial Park (M-3) District, The M-3 District is intended to implement the industrial classification of the Town of Davie Comprehensive Plan by providing for planned industrial parks which can accommodate light, medium or selected heavier industrial uses in an open, uncrowded

and attractive manner through limitations on setbacks and coverage. M-3 districts are not intended for locations abutting residential property.

Comprehensive Plan Considerations

Planning Area:

The subject property falls within Planning Area 6. Planning Area 6 includes lands located south of State Road 84, east of University Drive and north of Nova Drive, together with lands located east of the Florida Turnpike and west of State Road 7, south of State Road 84 and north of the south Town limits. The majority of this planning area is industrially zoned and land used plan designated. There are small commercial parcels along the State Road 7 corridor with one large retail center being located on the southeast corner of University Drive and State Road 84. Commercial flexibility has been applied to parcels on Nova Drive.

Broward County Land Use Plan:

The subject site falls within Flexibility Zone 97.

Applicable Goals, Objectives & Policies:

Future Land Use Plan, Policy 5-2: The (re)zoning, (re)platting, and site planning of land shall be in compliance with the density ranges shown on the Davie Future Land Use Plan map and the applicable Future Land Use Designation provisions as contained in the Permitted Use portion of the Implementation Section.

Future Land Use Plan, Policy 17-3: Each development proposal shall be reviewed with respect to its compatibility with adjacent existing and planned uses.

Application Details

The purpose of this request is to rezone the subject site from M-4 (County), Limited Heavy Industrial District to a valid Town of Davie zoning district, M-3, Planned Industrial Park District. This request is in conformance with staff policy of requiring all parcels under development to be designated with a Town of Davie zoning designation and Ordinance 2003-21, adopted June 4, 2003.

The Planned Industrial Park District zoning permits for the development of industrial uses without giving up the more desirable uses allowed under the M-4 (County) District. Planned Industrial Park District zoning would prohibit many undesirable heavy industrial uses that are permitted by M-4 (County), Limited Heavy Industrial District (Forman Agreement).

This rezoning is also consistent with the Comprehensive Plan and Land Development Code. Development of this site as proposed does not exceed what was anticipated by the Future Land Use Plan Map designation, which is Regional Activity Center.

Public Participation

The public participation process provides the ability for citizens of the Town of Davie to actively participate in the Town's development procedures. The petitioner conducted meetings with the public at BG Architecture Offices, 3201 Griffin Road Suite 202, on August 1, 2006 and August 8, 2006. Attached is the petitioner's Citizen Participation Report.

Staff Analysis

The purpose of this request is to rezone the subject site M-4 (County), Limited Heavy Industrial District to M-3, Planned Industrial Park District. According to the Land Development Code, the subject site meets the minimum technical requirements for the M-3, Planned Industrial Park District zoning classification, as the minimum lot size required is 43,560 square feet (one (1) acre), and a minimum lot frontage of 150'.

The following information is staff's analysis based on the criteria established in the Town of Davie's, Land Development Code, Section 12-307(A)(1) for rezoning applications:

(a) The proposed change is not contrary to the adopted comprehensive plan, as amended, or any element or portion thereof;

The petitioner does not need to submit a Land Use Plan Amendment to change the subject site. Based upon approval, at second reading, of the proposed amendment, the proposed zoning designation of (M-3) Planned Industrial Park District is consistent with the underlying land use category of Regional Activity Center (RAC).

(b) The proposed change will not create an isolated zoning district unrelated and incompatible with adjacent and nearby districts;

The north, east, west, and south, properties are zoned M-4 (County), Limited Heavy Industrial District). Although none of adjacent areas are specifically zoned M-3, Planned Industrial Park District designation, it will blend together with the surrounding industrial uses. In addition, any future development of adjacent areas will necessitate the rezoning to M-3 zoning district or other valid Town of Davie districts to be in conformance with staff policy of requiring all parcels under development to be designated with a Town of Davie zoning designation and Ordinance 2003-21, adopted June 4, 2003.

(c) Existing zoning district boundaries are logically drawn in relation to existing conditions on the property proposed for change;

The existing M-4 (County), Limited Heavy Industrial District boundaries are logically drawn, and the proposed designation to (M-3) Planned Industrial Park District is valid Town of Davie zoning district.

(d) The proposed change is not expected to adversely affect living conditions in the neighborhood;

The proposed (M-3) Planned Industrial Park District designation will not have any undesirable impacts on residential development surrounding the subject site. Eliminating the M-4 (County), Limited Heavy Industrial District should improve living conditions now reviewed under the zoning regulations of the Town of Davie.

(e) The proposed change may not create or excessively increase automobile and vehicular traffic congestion above that which would be anticipated with permitted intensities or densities of the underlying land use plan designation, or otherwise affect public safety;

Rezoning the subject site from M-4 (County), Limited Heavy Industrial District to (M-3) Planned Industrial Park District will not increase traffic due to the fact that the area is developed as industrial.

(f) The proposed change is not expected to adversely affect other property values;

Rezoning the subject site from M-4 (County), Limited Heavy Industrial District to (M-3) Planned Industrial Park District will have a positive impact on surrounding property values as the Town of Davie code will ensure that redevelopment will be done in accordance with the Town of Davie Land Development Regulations.

(g) The proposed change will not be a deterrent to the improvement or development of other property in accord with existing regulations;

The proposed change will be developed in accordance with existing land development regulations. Surrounding property will be able to develop in accordance with all exiting land development regulation.

(h) The proposed change does not constitute a grant of special privilege to an individual owner as contrasted with the welfare of the general public;

Any property owner may request a rezoning consistent with the underlying land use plan category.

(i) There are not substantial reasons why the property cannot be used in accord with existing zoning.

The existing M-4 (County), Limited Heavy Industrial District is not a valid Town of Davie zoning district. Therefore, as a condition of the site plan approval for this subject site, the Town required the applicant to rezone the property to a current Town of Davie District.

(j) The proposed rezoning may be the most appropriate designation to enhance the Town's tax base given the site's location relative to the pattern of land use designations established on the future land use plan map, appropriate land use planning practice, and comprehensive plan policies directing land use location.

Designating the site (M-3) Planned Industrial Park District will allow for the parcel to be developed in a manner consistent with the land use, and hence, be the most appropriate designation to enhance the Town's tax base.

Staff finds that the rezoning request complies with the general purpose of the proposed M-3, Planned Industrial Park District. The rezoning request is in conformance with all applicable Codes and Ordinances and is consistent with the other surrounding Zoning Districts. Furthermore, the rezoning request can be considered compatible with the uses and properties located along Davie Road.

Staff Recommendation

Staff finds the application complete and suitable for transmittal to the Planning and Zoning Board and Town Council for further consideration with the following condition:

1. A covenant restricting the use to commercial trucks tire center only must be recorded in the Public Records of Broward County prior to obtaining any building permits.

Planning and Zoning Board Recommendation

At the July 11, 2007 Planning and Zoning Board meeting, Mr. Pignato made a motion, seconded by Mr. Busey, to table this item to August 8, 2007. In a voice vote, with Chair Bender and Ms. Turin being absent, all voted in favor. **(Motion carried 3-0)**

Town of Davie
6591 Orange Drive
Davie, FL 33314

To Whom It May Concern:

This letter is intended to explain the reason for our request to rezone. We are proposing to change the zoning classification of the property located at 2600 Davie Road from M-4 County to M-3 Town of Davie because this is a more current classification and an equivalent one to the existing.

The project meets the review criteria of Section 12-307 of the Town of Davie Land Development Code in the following manner:

Sec. 12-307. Review for rezonings.

(A) (a) The proposed change is contrary to the adopted comprehensive plan, as amended, or any element or portion thereof;

The proposed change is an equivalent transition from County definition to Town definition.

(b) The proposed change would create an isolated zoning district unrelated and incompatible with adjacent and nearby districts;

The proposed change is compatible with the zoning classification of the surrounding sites.

(c) Existing zoning district boundaries are illogically drawn in relation to existing conditions on the property proposed for change;

The existing zoning is County. All boundaries are drawn logically per attached zoning sketch.

(d) The proposed change will adversely affect living conditions in the neighborhood;

Not applicable. Commercial Zoning. No neighborhood in vicinity.

(e) The proposed change will create or excessively increase automobile and vehicular traffic congestion, above that which would be anticipated with permitted intensities or densities of the underlying land use plan designation, or otherwise affect public safety;

Since the proposed change is based on equivalent zoning classifications, the anticipated traffic is also equivalent.

(f) The proposed change will adversely affect other property values;

Surrounding properties are zoned with similar classifications.

(g) The proposed change will be a deterrent to the improvement or development of other property in accord with existing regulations;

Ft. Lauderdale, Florida 33312
mail@bgarchitecture.com

(954) 961-7675 Fax: (954) 961-7685

The proposed change will not be a deterrent to the improvement or development of other property in accord with existing regulations.

(h) The proposed change will constitute a grant of special privilege to an individual owner as contrasted with the welfare of the general public;

Not applicable

(i) There are substantial reasons why the property cannot be used in accord with existing zoning;

The proposed change will update the site from County zoning to Town zoning.

(j) The proposed zoning designation is the most appropriate designation to enhance the town's tax base given the site location relative to the pattern of land use designations established on the future land use plan map, appropriate land use planning practice, and comprehensive plan policies directing land use location.

The proposed change will update the site from County zoning to Town zoning.

FALCON TIRE CENTER**

**SITE PLAN APPROVAL / REZONING REQUEST
2600 Davie Road, Davie, FL 33314**

The property owner of the 1.10-acre parcel depicted on the attached sketch has submitted applications to the Town requesting rezoning of the site from M-4 County to M-3 Town for an industrial project to be known as "Falcon Tire Center."

Consistent with the Town code, the owner applicant has scheduled two public participation meetings to present the proposed project to vicinity property owners and to respond to questions.

The proposed project is presented with the proposed design of the Planned Industrial Park District. The project will create a compatible presence along Davie Road which will offer quality employment and improve the Town's tax base.

Specifically, the applicant is seeking to update the existing M-4 County zoning on the site to the more relevant M-3 Town of Davie zoning.

As a property owner within 1,000 feet of the subject property or identified as an interested party, you are invited to attend the public meetings scheduled for this application. The project will be presented at the August 1st meeting with a follow-up meeting scheduled for August 8th. These meetings will be held at Barranco and Gonzalez Architecture Design Studios Conference Room, 3201 Griffin Road:

August 1st, 2006 @ 6:00 p.m. BG Architecture 3201 Griffin Road Suite 202

August 8th, 2006 @ 6:00 p.m. BG Architecture 3201 Griffin Road Suite 202

Should you require additional information or have any questions regarding this meeting, please contact John Barranco at (954) 961.7675.

REQUEST:

The petitioner is requesting that the above referenced item, currently scheduled on the August 1, 2007 Town Council Meeting be tabled to the September 5, 2007 Meeting. This is the petitioner's first request for deferral.

CONCURRENCES:

At the July 11, 2007 Planning and Zoning Board meeting, Mr. Pignato made a motion, seconded by Mr. Busey, to table this item to August 8, 2007. In a voice vote, with Chair Bender and Ms. Turin being absent, all voted in favor (**Motion carried 3-0**).

JUSTIFICATION:

The petitioner is requesting to table this item to address comments made by the Site Plan Committee for the Site Plan application submitted in concurrence with this rezoning application.
